

# Engineering for Law Enforcement

## ADDRESSING THE NEEDS OF LAW ENFORCEMENT AND DESIGNING THE SOLUTIONS FOR A SECURE FUTURE.

Sydaptic has been designing, developing, installing, and supporting controls systems for Law Enforcement since 1989.

Systems in use all over Texas.

Sydaptic has produced products which are based on a real- world need. Clients have a specific problem and our designers will engineer a solution to that problem.

## Product Brief

- Jail / Prison Controls:
  - Doors, intercoms, CCTV,
  - Lights, TVs, phones,
  - Commodos and showers
- Digital Video Recording
- Crisis Negotiation Equipment
- Video Visitation / Arraignment
- Courthouse Security / Panic Alarm
